Pam -

We have stuck it out together for 5 long years, but you must admit, this last year was really the worst.

But we'll never forget garthetta. This has really been a fun year, and our group has done so many fun things. But you are really the one that has kept it going. You are so fun-loving and have such a great personality. I love to be around you. I appreciate your friendship, and all you've done for me. Let's all get together this summer a whole bunch, cause

I love ya,

Working diligently together, the Davis County School Board and Superintendency sought to satisfy the needs of all students in Davis County public schools. Their duties were never ending. It was their responsibility to plan the best educational opportunities that could possibly be offered. The school board made certain that all students from kindergarten through twelfth grade received continuing intellectual and social growth. A major problem was the housing for the students since Davis County is continually growing. Approximately 1,000 new students attend our schools each fall. The school board plans the

constructing of additions to our schools, and they select new school sites. They are also concerned with the maintenance of each school. Another duty that the school board has is to set standards for the schools to follow to make the most beneficial year possible. Also, the school board appoints responsible men and women as instructors. This is an extremely important job since each year 1,200 teachers sign contracts to teach for the year. Our district administration has cooperated with our school administrators to provide a totally successful year.

Mr. Flake
Principal of Viewmont High School

Another year comes to an end, another time of parting as friend leaves friend. These times are sad, perhaps, but filled with the joy of anticipation. It has been an outstanding year for Viewmont. Much has been accomplished by you students to enhance the stature of the "Viking." For your contributions and achievements, the administration and staff are grateful and proud. Life is rich and wonderful when one can be a part of a vital, positive, ever-improving organization.

To the Senior this graduation is truly a commencement. Never tire in your relentless pursuit of knowledge and excellence. Be eager to pay the price necessary to secure for yourself the rich and responsible life. Achieve to your fullest capacity. Be of service to others and lose yourself in a cause which will make a positive contribution to the advancement of humanity.

We send you forth with confidence and anticipation. Success to each of you! May life for you be filled with the best it has to offer.

Sincerely,

Alvin J. Flake

"Onward, Oh Viking!" Our Seniors have led us this year through a glorious experience. Through sound leadership and devoted helpers this year has been a pinnacle of success. Continue onward and upward, seniors. Your achievements have been many, but there is much yet to accomplish. Success to you!

Reflecting upon achievement, I believe the co-operation of students, parents, and faculty has been outstanding. Viewmont has moved ahead because of the combined efforts of all. It has been my treasured privilege to associate with you in this progressive institution of learning. Let our goals be to gain greater understanding, greater motivation, and greater determination to improve man's educational, social, and emotional environment.

I emphasize a firm faith in the future because of the performance of the present. Success to each of you in your worthy endeavors.

SECRETARIES: Mrs. Haacke, Mrs. Parker, Mrs. Stapely, Mrs. Hayes.

The secretaries played an important role in the efficiency of business affairs at Viewmont. Each day many in-coming and out-going telephone calls demanded secretaries and office help. Absentee lists were made; receipts kept and comprehensive data on students filed. The secretaries kept a record of attendance, and any special problems or scholastic achievements. The bulletins which publicize social, PTA, and school events were the responsibilities of the secretaries. Absentee lists and other information were delivered by the 34 regular office girls. They learned the skills of efficient secretarial and business work from "office practice."

Helping students prepare for more beneficial years ahead were our counselors, Miss Streeper, Mr. Barton, Mr. Cook, and Mr. Trimble. It was their responsibility to administer tests of all sorts. They gave advice to students concerning their class schedules; college and career choices. They worked constantly to find suitable solutions to the problems confronting students at Viewmont. The counselors helped students decide what changes in their class schedule might be necessary. The thanks of all students go to these people who gave us guidance in our endeavors.

What did I do this time?

"Well, you see, it was like this . . ."

Two groups of people have gone virtually unobserved in our school . . . the custodians and the cooks. Yet, if their services were to disappear, we would instantly notice.

One group is the custodians who keep our school in excellent condition, cleaning each day what we undo. It is they who maintain Viewmont, so that we can say with pride to others, "This is our school."

The service the cooks provide is no less important. We are reminded each day with tantalizing odors and anticipated lunch periods of the long hours they serve to insure each of us a hot, nutritional meal.

Representing the students of Viewmont High, we wish to say to the cooks and custodians, "Thank-you for what you have done for us."

And she said to me . . .

STUDENTS

During our past year I have enjoyed the opportunity of serving as Viewmont Student Body President. The school year has brought many challenges to the student body officers, and we have tried our best to meet those challenges. Our '68-'69 school year has been filled with victories, achievements, and accomplishments; but I think the most important phase is that it was filled with few disappointments.

I do not believe that anyone in the future can say we need school spirit, unity, or communication from officer to administration. You have achieved those things, but always remember that you can improve on what you have. I sincerely hope, as we seniors leave, that you will maintain the high traditions, spirit, unity, and friendship; so that any person who has ever attended Viewmont High School will always be proud to say, "Me, sir? I was a Viewmont Viking!"

Steve Shupe

Student Body President

STUDENTBODY OFFICERS

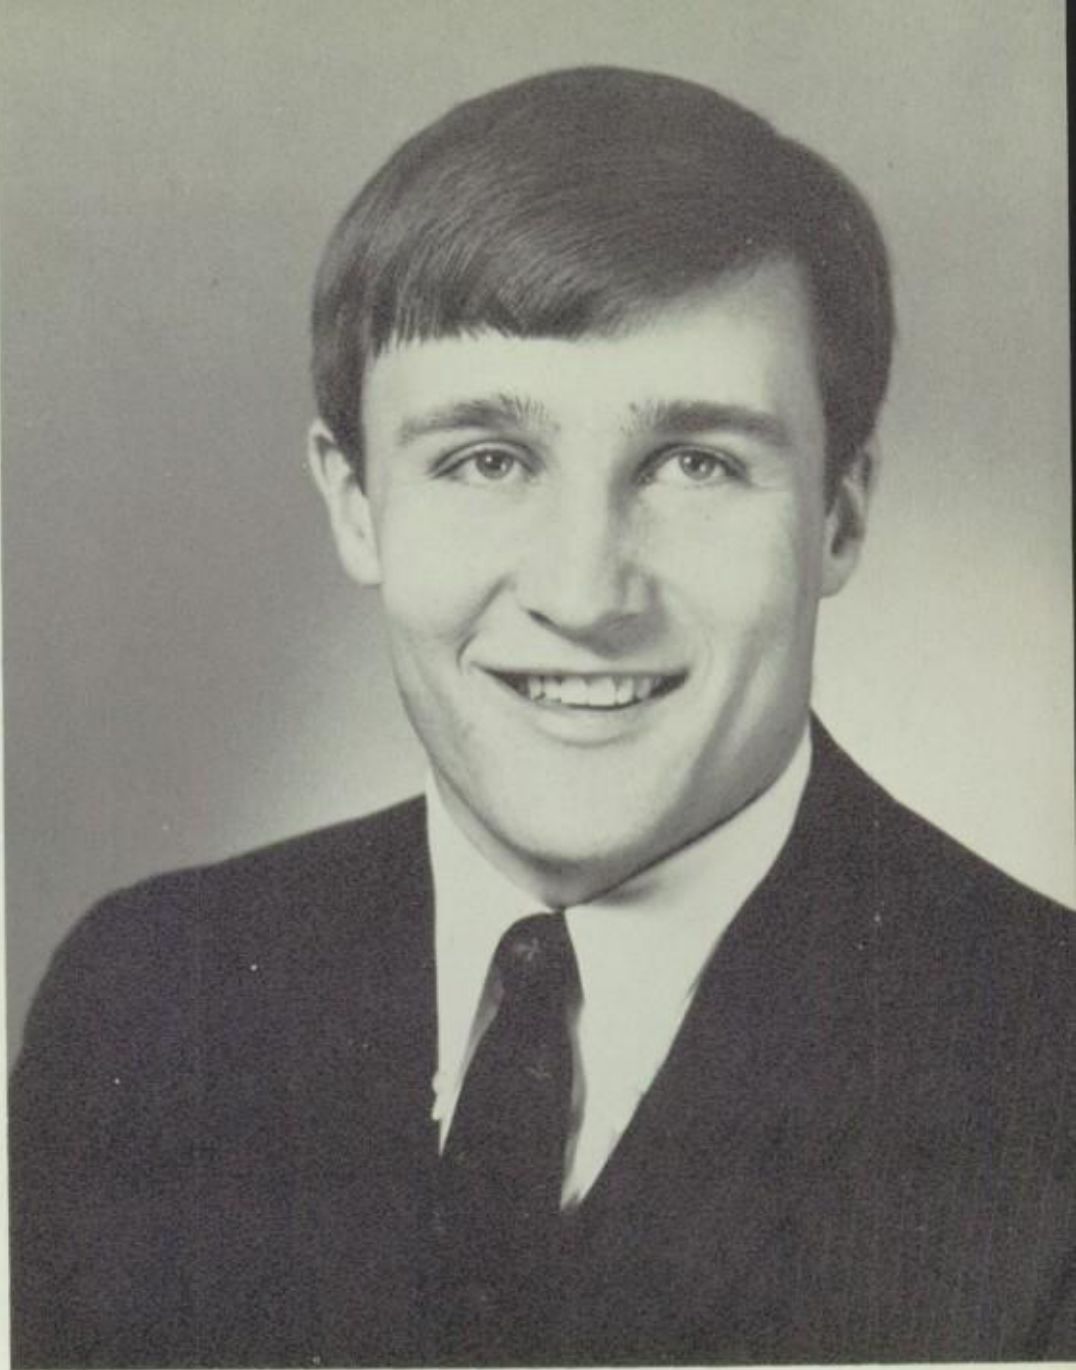

This year will go down in the record book as a great one. To me it has been the most memorable and enjoyable year of my life. Being a student body officer is a great honor to anyone, but being an officer in a great school like Viewmont is even a greater honor.

The three years I have spent at Viewmont High are some of the most treasured in my life. From my sophomore year on, I have worked with and been associated with many dynamic Vikings. I am sure that these people will also cherish their years at Viewmont High.

With fond memories we will look back to our high school days, its many fun-filled dances and activities, suspense-filled games, and the anticipation and excitement of our graduation.

Dave Nelson

Student Body Vice President

As this past year, 1968-1969, has gone by, being a student body officer has been an honor and a challenge. The work was new to me; I couldn't have done it without the help of Steve and Dave. With the addition to the school, came the new students, striving for a oneness and gradually attaining recognition.

V.H.S. holds many memories; the thrill and excitement of games and activities, meeting new people and gaining close friendships, and singing our Alma Mater with real pride. Now the time has come to face a different challenge. It is hard to say good-bye; yet there is much to look forward to in the future.

Enthusiasm and school spirit have grown this year because we can now stand up and be proud that we are Vikings! It is not only the appearance of our school, but also the students that have made Viewmont a great school.

The student council, a governing body of students, consisted of a representative from each second period class, student body, senior, junior, and sophomore class officers, VAG and VAM presidents, club presidents, and other organizations.

Each month the student council held a meeting to discuss the problems facing the Viewmont High School Student Body. Here the members discussed plans for student activities; opinions were voiced and ideas were shared.

This year the student council considered a new amendment to the school constitution concerning procedure for nomination and election of student officers. The new procedure, which will be on a trial basis, is similar to the conventions held prior to national presidential elections. From the English classes will be elected one representative

for every ten students. These representatives will go to the "convention". At the "convention" delegates nominate students who seem to be responsible leaders. The primary elections are held in which all students vote. Then campaigning begins; posters are placed throughout the school, and final elections are held. This system was held on a trial basis this spring in election of student officers. If it proves to be successful, next year the student body will vote for or against it. It will become an amendment only if students pass it.

Mr. Rose was the student body advisor. Interested in keeping the title Viewmont Vikings an honorable one, Mr. Rose was always encouraging students to be good sports and to act as young adults. The student council worked to make the year successful.

SENIOR CLASS OFFICERS

In past years, the seniors have always set examples for the up-coming classes to follow; this year was no exception. The seniors have achieved more academically and competitively this year than any year of their progress.

We, the senior officers, would like to thank you for giving us the opportunity to represent and serve you. We are grateful for your support.

Three other people who deserve the gratitude of the seniors are Mr. McKee, Mrs. Nalder, and Mr. Mottishaw, the senior advisors. Without their help and expert advice, many of our activities would not have succeeded.

Serving you has been a privilege, and we would like to wish the seniors the best of luck in all they want to accomplish. Set goals high and remember you are the students of today and the leaders of tomorrow.

Absent: Nanci Sonntag, Tom Whitmer.

With high school days over, we now stand on the threshold of the world. Undoubtedly we will continue our educations: college looms ahead for our proud students; marriage will beckon enticingly for many seniors; the armed forces will claim its share of our young men; the business world will teach innumerable skills to the senior studentbody; a number of our young men and women will answer the call of church service; and community service will further add to our educations. As we pursue our separate ways, we will carry the memories of Viewmont High and our senior year; a memorable year and one to be proud of. We will forever remember the numerous counselor appointments and meetings, long hours of study, crowded halls, and warm friendships.

The beauty of the Senior Ball "Al Di La" will never be forgotten; neither will the Senior Assembly, "Charlie Brown, You're a Good Man"; for they both demonstrated the talent and creativity of the senior class.

With the help of Mr. Mottishaw, Mr. McKee, and Mrs. Nalder, our officers and the senior class committee created memories such as the "Looking Back Assembly" and the beautiful banquet at the University of Utah, not to forget the senior breakfast and senior sluff. This has indeed been a wonderful year, and we owe a great deal to those who made it all possible.

PERSONALITIES

A black and white photograph of four young women on a grand, ornate staircase. The woman on the far left stands on a lower step, wearing a light-colored dress with a white collar and dark tights. Behind her, two other women are seated on higher steps, both smiling. The woman in the foreground is descending the stairs, wearing a light-colored jacket, a plaid skirt, and dark knee-high socks. The staircase features a decorative balustrade with large, rounded balusters. The background shows the architectural details of the building's interior.

JUNIORS... appreciated leadership and advice.

Marc Brown
President

This year, 1968-69, has been both exciting and successful for the junior class. The junior class committee and officers teamed to present activities for the Class of '70. With the guidance of Mrs. Cline, Mrs. Harper, Mr. Carling, and Mr. Manfull, the year rolled smoothly along. On January 25, 1969, the Junior Class Party was held at the school gym. Students who attended the party enjoyed a stomp, movie, and delicious refreshments. In May, the magnificent Junior Prom delighted all Vikings. The theme for the elegant dance was "Summerplace", and it highlighted the whole year for seniors, juniors, and sophomores. As the year ends, the juniors look back on the experiences of the closing school year and look forward to their senior year and the opportunities in store for them.

As long as Viewmont High School exists, the class of 1970 will be remembered, not only for the activities sponsored, but because of the spirit and enthusiasm at all class functions.

Junior Week began with Juniors honored with special privileges. The successful class party and assembly were climaxed by our Junior Prom, "Summerplace".

Our activities achieved our one goal — unity!

This year will always be remembered as one of the best years Viewmont has ever had. The sophomore officers have tried to help make Viewmont the greatest school in Utah by showing enthusiasm and spirit in all our activities that climaxed the school year. Although it has been a new experience for us, we are looking forward to next year very much.

The successful sophomore party and dance were two of the exciting events that will always be remembered.

The sophomore officers are grateful to the sophomore class and their advisors for their support.

Mr. Dickerson

Miss Steed

Last August, 1968, there came a new and exciting group of students. They gathered from all over the area, bringing enthusiasm and hope. As the year progressed, they joined with us becoming one unified body, Viewmont. No longer were they "little sophomores", but they were fighting and working just as hard as any class. They added their contribution to help Viewmont High School grow. Success began with their class party and continued through the year. With their dance, with the applause at their assembly, with their cheers at games, they expressed to the fullest the spirit of a Viewmont Viking. With the help of their advisors, Mr. Dickerson, Miss Pattison, Miss Steed and Mr. Neilson, the sophomore committee helped make this the greatest year in Viewmont history!

After hundreds of hours of worry and work, the curtains opened, and Viewmont High School presented *The King and I*. At each performance a fascinated audience watched as Viewmont students portrayed the story of an English school teacher, Anna Leonowens in nineteenth century Siam. Her influence upon the people and their king told an emotional story.

Many people devoted an infinite number of hours to make the production a success. Mr. Bangerter, the drama director, was present at each practice to see that the actors and actresses did their best to portray the story. Mr. Lindsay, music director, capably conducted the orchestra in the musical score and helped the actors and actresses acquire better techniques in their music. The set design and construction was done by Mr. Jones, Mr. Rose, and Mr. Bond, followed by the scenery crew headed by Mrs. Taylor and Mr. Brown. The oriental setting created by the scenery crew lent an enchanting atmosphere to the production. The stage crew had the responsibility of changing sets quietly and efficiently. Mr. Jones, the advisor, supervised as the stage crew perfected the lighting and sound system.

Ranging from cassocks to exquisite gowns, the costuming was directed by Mrs. Matern, Mrs. Caputo, Mrs. Crandall, and Mrs. Stockton. To the make-up crew it was important to make all characters look authentic. This crew was headed by Mrs. Bybee, Miss Lefler, and Miss Steed.

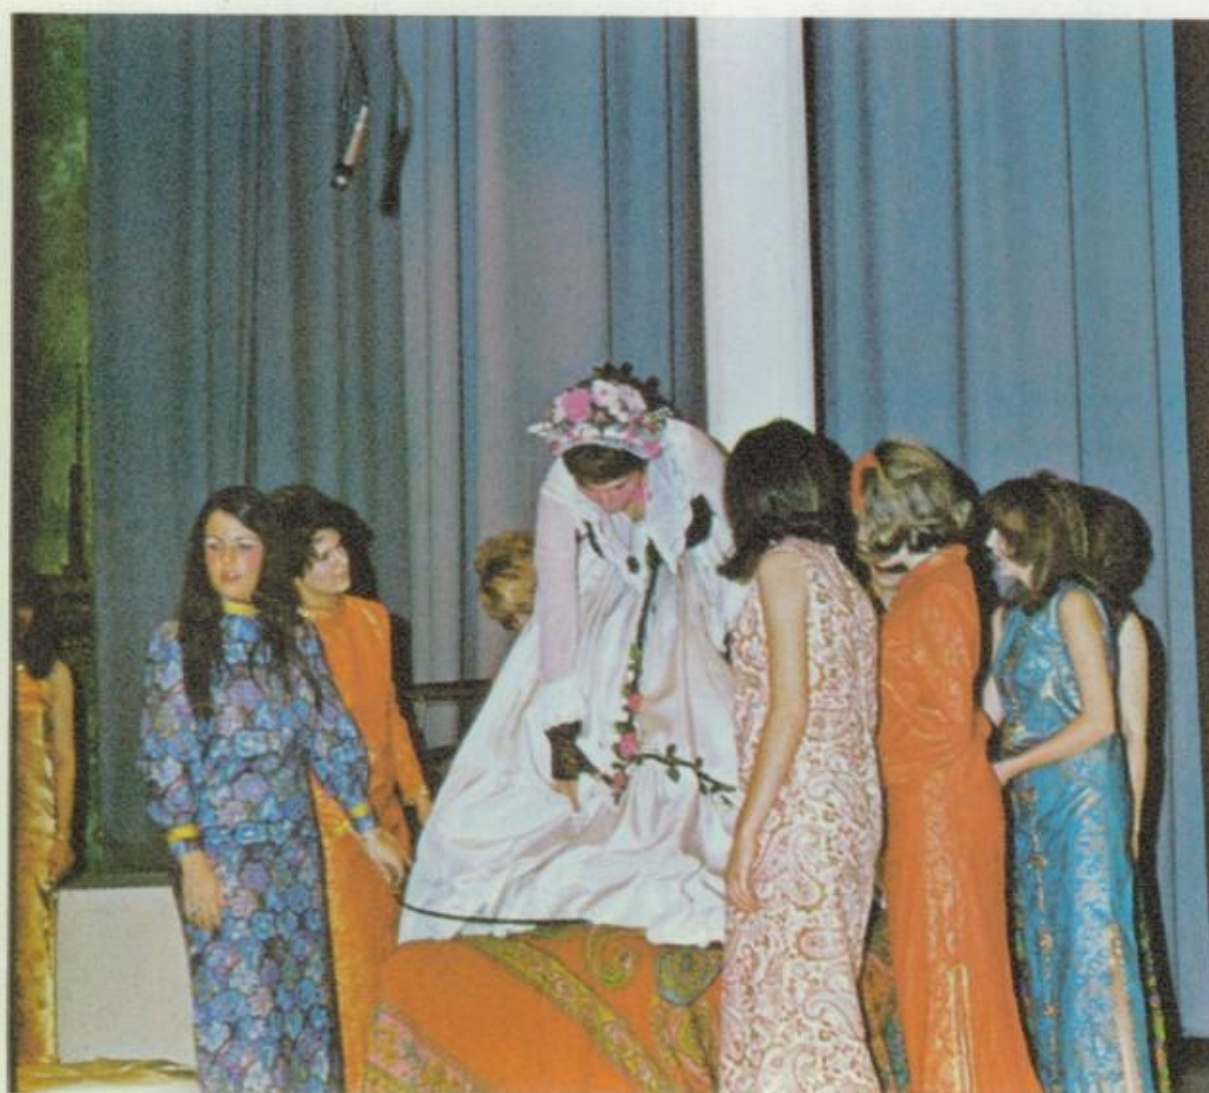

Publicity for this memorable production was done by Mr. Bull, Mrs. Wickizer, Miss Hovey and several students.

Publishing of the attractive programs was accomplished through the combined efforts of Mr. Cook, Miss Streeper and numerous students.

Our thanks are extended to the many people who spent countless hours in preparing for this tremendous success.

Cory's mother pays a visit.

It began with auditions, with picking, choosing, deciding who was just right. The decision was finally reached, and the six chosen set to work. Practices were held every night after school, sometimes lasting until all hours. At last after weeks and weeks of rehearsing, trying, starting again, they were beginning to get their lines down pat. Now they worried about props. Lists were made and handed to the prop committee: Bonnie Bell, Becky Ballinger, Linda Nebeker, John Perkins, Kathy Bleckert, Toni Smith, Kathi Pierce, Dean Leary, Lynn Rawley and Marilyn Astin, and the prop search began. Unlikely requests popped up—bubble gum, old newspapers, a wood-burning stove—but all were answered. Costumes were made, sets were painted, publicity was arranged and programs were made as the big night drew near.

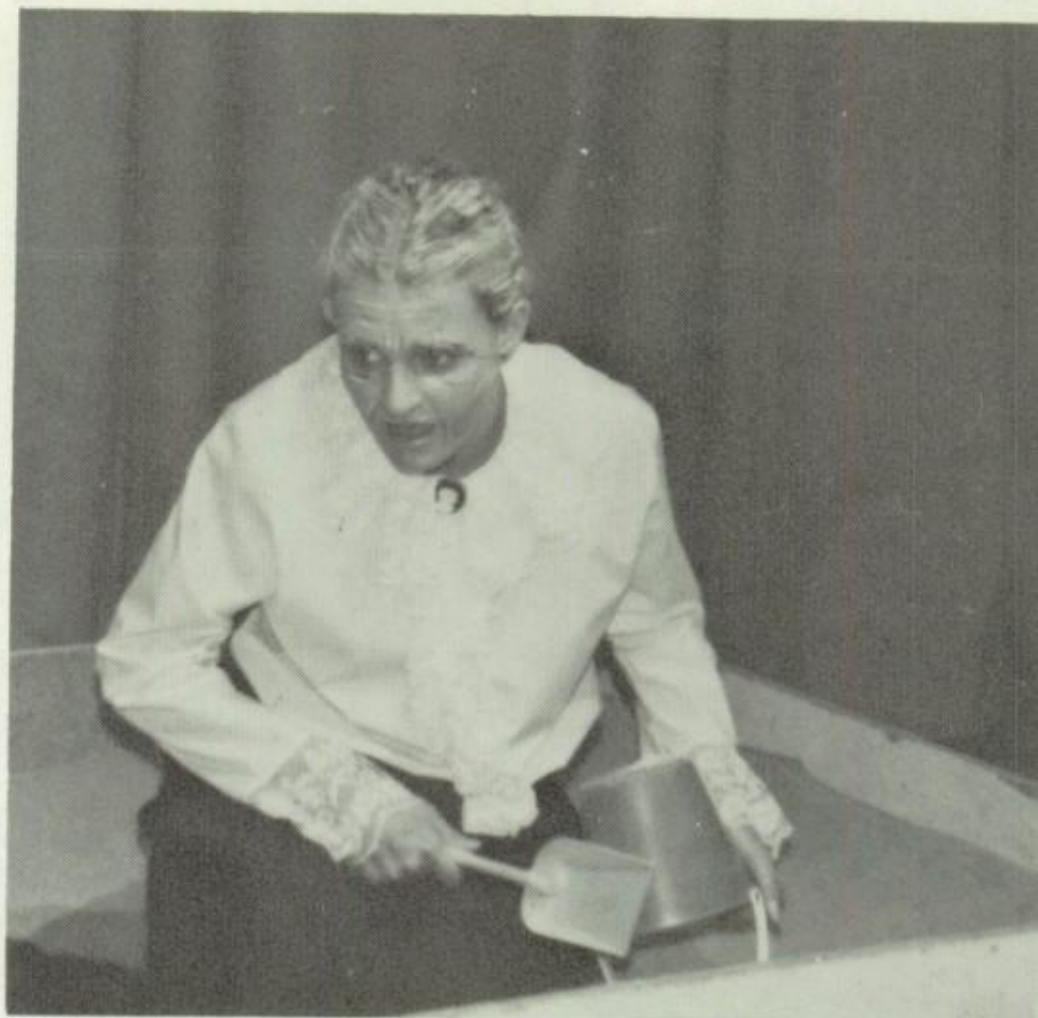

Mr. Valasco explains the radiator.

Then the afternoon of November 22nd arrived, and all was in readiness for the first of three performances. Backstage butterflies began as the audience grew restless. Then the curtain opened and a hush fell over the auditorium as the first player walked onto the stage; the play had begun! The six Vikings turned actors took over the audience and never let go until the final curtain closed. With the help of Mr. Bangerter, they took the audience, laughing and crying, applauding and sighing, through a happy, swinging, romp of a play. When the play was over, the audience rose with the feeling that tells you all isn't death and suffering. They left, enriched from the experience and saying to themselves, "Barefoot in the Park is one of the best school plays Viewmont High School has ever produced!"

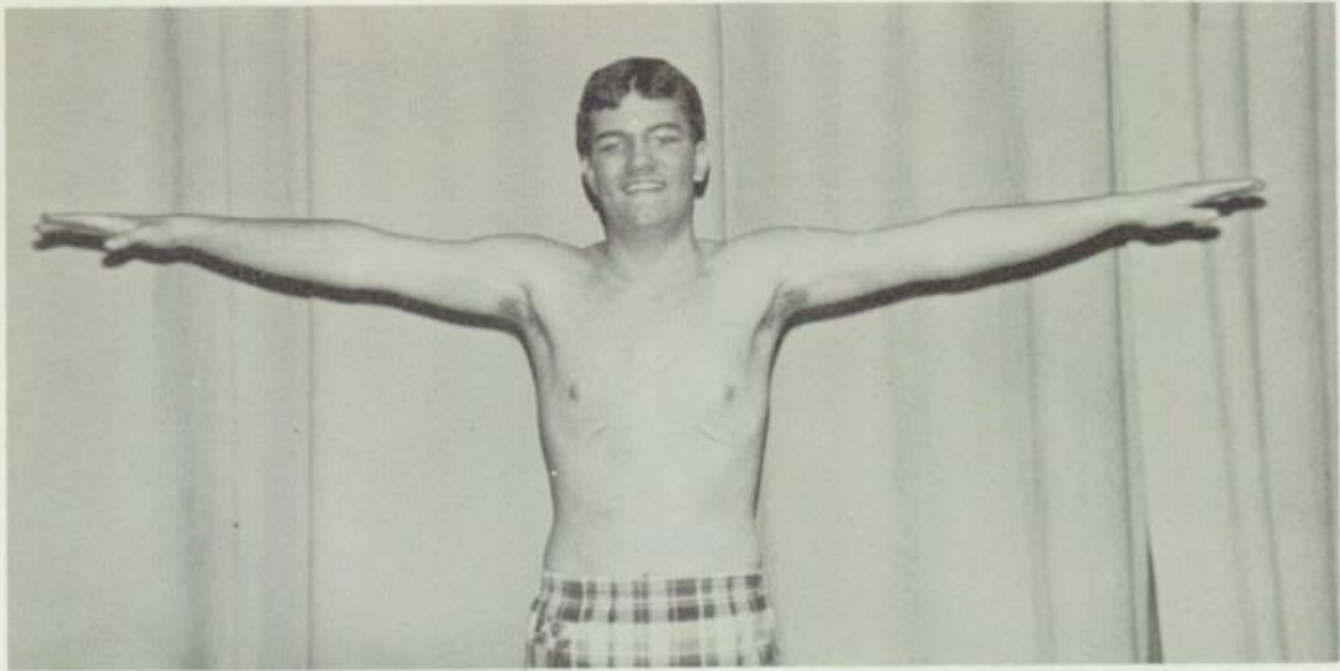

Under the direction of Mrs. Bybee and Becky Parker, *The Sandbox*, a contemporary one-act play proved to be a surprise success at Viewmont. The play is an absurd satire on death and the way "responsible people" take care of death. The characters, aware that they are in a play, follow the direction of the grandmother. Eventually the grandmother and "Mamma and Daddy" resort to childishness though pretending to be proper and responsible parents. Through identification, each student sought the play's deep psychological meaning.

Each spring the delivery of the yearbook is anticipated by all because every game, assembly, honor, class and production is recorded in the pages of the *Eddas*. It brings memories of friends and teachers, and sometimes elicits a tear of joy. To many, a yearbook is just their special book, but to the *Eddas* staff it represents a year's work, a great responsibility. Throughout the year, pressures—photographs, copy, layouts, ads—are applied to the staff. Deadlines must be met and assignments finished on time. Sometimes it really got rough! However, it wasn't all blood, sweat and tears. Birthday parties, hours of giggling, private jokes and even song fests lightened the long hours. The staff has enjoyed a growing, happy, learning experience. We are forever grateful to the entire school for their help and cooperation.

The words "deadline", "layout", "copy", "advertisements", "interviews", and "current news" became familiar terms to the staff of Viewmont High's school newspaper, *Danegeld*. With the helpful advice and ideas of Mr. Boden, and the leadership of their editor John Simpson, the staff turned out a newspaper full of informative, as well as amusing articles. The staff hunted, probed, and examined to make certain that the Vikings were an informed student body, and that they were well aware of all events that occurred at Viewmont High School. The staff contributed sports, news, fashion, school activities, and editorials. Always striving to meet deadlines, they worked efficiently toward producing a total of eight newspapers during the course of the year. This achievement was made possible by the acquisition of their own printing press, operated by staff members.

VAG...

Ties of friendship were strong among the members of the VAG. This year 1968-1969 was filled with exciting and charitable events. One highlight of the enjoyable "VAG Week" was the assembly—a delightful portrayal of a charm school studying great ladies of history. In October, the girls invited the boys of their choice to the enchanting girls' dance. The theme for the exquisite occasion was "It's a Woman's World."

At Christmas time, the VAG sponsored Sub-for-Santa, making it possible for many families to enjoy a merry Christmas.

To assist in making a successful year, Mrs. Bybee, Mrs. Erickson, Mrs. Stockton, and Mrs. Wickizer were the VAG advisors. The excellent leadership of Lesley Cook, Kris Burningham, Barbara Browning resulted in an exciting and eventful year for the members of the VAG.

VAM...

Serving as an enthusiastic organization, the Viewmont Associated Men played an important part in activities at Viewmont.

January thirteenth through eighteenth was specified as "VAM Week". On Friday, January 17, a pep rally was presented to the school which built up spirit resulting in our victory over Bountiful High School.

"Softly" was the theme for the VAM dance and those attending the dance enjoyed an exciting time.

To lead this club of male Vikings three capable officers; Bill Argyle, president; Dave Butler, vice president; and Val Cullimore, secretary were chosen. Working diligently with the officers was the VAM council chosen by members of the VAM

A special thanks is given to Mr. DeBoise, Mr. Ashby, Mr. Parkin, and Mr. Hancey who advised and directed the affairs of VAM.

The Girls' Chorus was one of the larger choral groups at Viewmont this past year, 1968-69. The ninety-five voice group presented their musical talent on a music assembly. Also at this time they performed at an evening concert for the Viewmont High School P.T.A.

Throughout the year Mr. Lindsay, the Girls' Chorus director, strove to teach the girls the fundamentals of music.

Skills in sight-reading and trio work were tested each term as the girls learned the importance of following their conductor. Instrumental music as well as vocal music was studied frequently. The members of the Girls' Chorus worked toward unity and fluency in their music.

This class served as a preparation for Madrigal and A'Cappella which many of the girls will join next year.

The Viewmont A'Cappella choir provided hours of enjoyment for the student body this year. At many assemblies the A'Cappella performed musical numbers; classical, modern, and religious.

In November the A'Cappella combined with additional students in presenting a freedom program for the Salt Lake City Exchange Club. Held at the Hotel Utah, this program was emotional and inspiring. The performance was repeated at our school for the entire student body.

Mr. Lindsay, the choral director at Viewmont, gave the A'Cappella invaluable instruction. Under his direction the A'Cappella gained a broader view of the field of music.

Throughout the year, the A'Cappella had the opportunity to have their music recorded and played on the local radio station, KBBC. This was one way in which our community became better acquainted with the accomplishments of Viewmont.

At Christmas time the A'Cappella performed some Christmas numbers for the Viewmont High PTA. They also performed at several churches in the area.

Our thanks as a student body go to this organization.

One of the liveliest and brightest groups in our school this year has been the Madrigal Singers. Their smiling performance highlighted a musical program. From singing in assemblies to strolling around shopping centers at Christmas time, they always seemed to impart a glow to each person's face and a song in everyone's heart. The Madrigal Singers didn't just sing well; they sang well together. In every single performance, their hard work throughout the year showed in the way they always worked together, in the way they produced a harmonious and enjoyable sound, and in the way every performance was polished to perfection.

When these seventeen talented people, with the help of Mr. Lindsay, combined into a group and sang, they produced one of the most melodious sounds around: the sound of Viewmont '69.

SKOLD promoted creativity.

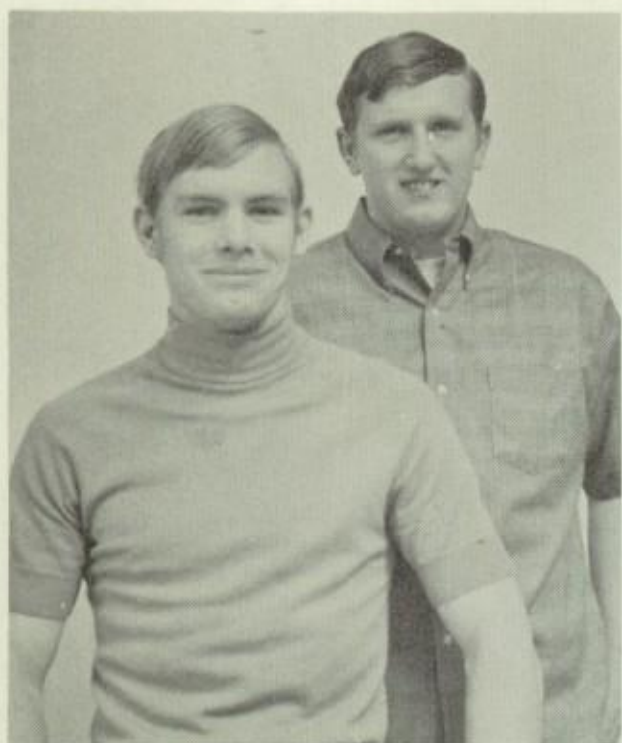

This past year, 1968-69, a group of students, along with Mrs. Townsend, has been working as industriously as any group. They have built themselves a little workshop in room 212 and have worked cooperatively. This group of students recognized that at Viewmont High School other kinds of growth, besides physical and mental, occur. They realize that our Vikings are experiencing the growth of personality and soul, and that this growth often reveals itself in a person's writing. The Skold staff has imposed the job upon themselves of recording this growth with poems, stories, ballads, songs, and even art work.

The Skold staff's whole year was a search for the most exciting and interesting literary accomplishments. They held contests, made posters, visited English rooms, and held sales, all to raise money and solicit writing to make a better representation. When the year was over, their efforts culminated in a literary publication, Skold.

SENIOR DEBATERS.

"Should America adopt a plan of compulsory service for every citizen?" was the controversial subject of heated debates this past year. Assorted ideas were covered thoroughly, then re-covered. The private and public feelings of Americans were brought into the open and examined. With the confidence of veterans, the Viewmont High School senior debaters held their own in these great debates, always catching every point, continually finding new and better approaches to the problem at hand, and striving to bring the honor of victory to the name of Viewmont High School.

challenged the future.

It's hard work, debating. But with qualified help from Mr. Cottrell and hours and hours of hard work, the senior debaters put the crown on their two-year debating careers with the final regional meet. Many of our students who attended this meet won the opportunity to go to the state forensic meet. This final, exciting victory brought honor to the school and satisfaction to Mr. Cottrell and his students. They can rest assured that with the end of the year comes the recognition that is theirs. The recognition that they have worked the whole year long to achieve.

JUNIO

The Junior Debaters this past year have surpassed all expectations. They have shown that they, too, are competent, capable speakers. In the developing talent evident in these young debaters lies the promise of bigger, better events for next year. With Mr. Cottrell as their teacher, the Junior Debaters, not satisfied with just debating, went on to oratory and extemporaneous speaking, proving they were skilled in these areas also. The end of the year brings the assurance that next year can be one of the most rewarding, satisfying years Viewmont's forensic department has had.

aroused enthusiasm.

Cheers! Whistles! Screams! The game excitement reached full pitch, and still the voice of the Valkyries was not lost in the sea of screaming youths! At every game and rally the club surpassed their previous performance with spirit, hand routines, and well-rehearsed drills. The red and gold uniforms and pompons added color at half-time and throughout the game.

But they didn't achieve this great display of spirit by accident! They developed it through early morning practices, hours after school, and hard work. The end result was an exciting, inspiring sight for any spectator.

"What makes a good homemaker?" has become an almost unanswerable question. But the members of the Viewmont High School FHA have come close to answering it with actions in lieu of words.

The FHA dance "Sunshine and Lollipops" was a great success. It was planned months ahead of time in order to culminate in a polished, organized affair. The FHA Halloween party was enjoyed by all who attended. The unique idea in costume and decoration added to the mysterious spirit of the evening. As one of Viewmont's many organizations, FHA was outstanding. The members inspired enthusiasm, excitement and femininity. With the end of the year, Mrs. Rose and Mrs. Caputo can be confident that they have helped develop a group of knowledgeable, mature, capable homemakers.

El Círculo Español was successfully led this year by Roger Astin, President; Allen Anderson, Vice-President; Arlene Shaffer, Secretary; Michelle Slagowski, Corresponding Secretary; and Peter Fagen, Treasurer and Publicity Manager. The club year opened with a get-together in which the officers were introduced, Spanish songs were sung, and Spanish food was served. Other yearly activities included a Christmas Party for all three language clubs, sponsored by the Spanish Club, a Spanish dinner prepared by club members, and a Spanish movie and dinner in Salt Lake City. Activities, movies and class work, all furthered knowledge of the Spanish culture.

Presiding over La Fraternité Francaise this year were Sylvia Booth President; Kevin Barnes, Vice-President; and Sherre Slagowski and Scott Kjar as Secretary. The officers had several goals: to guide club members, to promote interest in the French people, and to learn about their culture.

France was brought a little nearer on March 14th when the French Club sponsored the Mardi Gras, an event originally celebrated in all Catholic countries before Lent. Though the members of the three language clubs did not celebrate in the original style with a costume ball, they did enjoy games, fun, and French food.

Mr. Winkleman
Advisor

With the purpose of giving insight into German cultural activities, Deutscher Verein strove to accomplish their task. Under the direction of Mr. Winkleman, a native of Germany, and with the aid of Lon Clayton, President; Bob Bradshaw, Vice President; Cindy Haslam, Secretary; and Jim Aylor, Publicity Manager, the club fulfilled their goal by planning activities introducing a few traditions common to Germany.

In October, the German Club sponsored the October Fest held for the members of Viewmont's three language clubs. November and December saw the German Club enjoying two more parties, with slides shown by Jo Everton and Vicky Whiting.

Parties, group affairs and class-work kept German Club members active, for each person did his part to make the club a success.

The Viewmont High Ski Club season began on December 28th with a ski trip to Brighton. With the experience and advice of Mr. Lund, along with the leadership of Mark Lund, Kevin Keate, and Lo Nestman, the ski club members were initiated into the thrills of a triumphant run, the grandeur of a windswept slope, the discomfort of a sprained ankle, sunburnt nose, or frostbitten toes, and the joy that comes from having fun with friends. The members of this club had many opportunities to experience the joys, and sometimes the discouragement of skiing, since they made for the slopes twice a month. Of all clubs at Viewmont, this one proved to be one of the most active.

Mrs. Frankel
Advisor

Under the leadership of Janyce Cox, and with the supervision of Mrs. Frankel, the Symphony Sub-Debs completed a very successful year—a year beginning with a membership tea at the governor's mansion, where the Sub-Debs enjoyed the company of Governor and Mrs. Rampton. As their goal was to instill in themselves a cultural atmosphere and to advance civic-mindedness, they attended such concerts as the East Symposium, Salute to Youth Concert, and Spotlight on Youth.

The highlight of the year honored all the Sub-Debs at the Holiday Dinner-Dance, held in the University of Utah Ballroom.

The Varsity football team upheld the fighting spirit of the Vikings. Each Varsity player, realizing the value of his team, worked and strove to achieve unity. The student body spirit grew as we observed the team's excellence. Through glorious victories and humbling defeats, Viewmont Vikings shared an undaunted spirit. The coaching staff inspired the team to expend honest effort and to improve through practice. In early morning and afternoon practice the coaches prepared the players to meet the challenging competition to be faced at each game. These athletes represented Viewmont in a way that made every Viking proud.

Dave attempts a catch.

JUNIOR VARSITY FOOTBALL

Viewmont Vikings on the Junior Varsity football team had a challenging season, the fall '68. Each practice was important for the boys to learn techniques beneficial to a successful team. These athletes found teamwork the key to successful plays and to achieving victory.

For the Junior Varsity players the football season of 1968 was a final preparation for the step to Varsity football. They received training from Mr. Miller, the Junior Varsity football coach, whose responsibility was to see that each boy found his weakness and practiced until the flaws were finally overcome.

Looking forward to seeing the talents of these young men next season, we thank the Junior Varsity team for proudly representing Viewmont.

SOPHOMORE FOOTBALL

Fall arrived heralding the formation of a new team at Viewmont, the sophomore football team. These athletes unified to enact successful plays and attain victories. Throughout all games, whether the team won or lost, the boys maintained excellent sportsmanship. Determined to play their very best, the sophomore squad displayed talent which made Viewmont proud. The student body as well as coaches recognized the great potential many of these Vikings held in store.

Coach Simmons, new to our school this year, brought fresh tactics which helped prepare the sophomores for a great future in the spectacular game. Sharing defeat and celebrating victory, students enjoyed this fall sport presented by the sophomores.

In our "basketball crazy" school the Varsity basketball team became the center of every dream, waking and sleeping. If any one thing held our school together with a common bond, it was the dream that Viewmont would go to the State Basketball Tournament in '69.

The student body held its breath as the season began with a roar, and the Vikings garnered victory upon victory. Coach Cleverly's Vikings trained, pouring their hearts and souls into preparing for the '69 season. This was Viewmont's victory year! As the season drew to a close, students became more and more aware that Viewmont was in a three-way tie for the region title. Bountiful and Clearfield were our only obstacles, and then it was on to state! No Viking will ever forget the joy of Viewmont's defeat over Clearfield, nor the happiness when we finally went to state. Every Viewmont High School student will remember the '69 basketball season with a smile, maybe even a grin, for it was one of the most spirited, exciting seasons in a long time. In later years it will bring memories of a region trophy, a state tournament, a screaming student body, and a team that just wouldn't quit!

After hard practices and expert direction from our coaches, Mr. Dickerson and Mr. Nielsen, our wrestling team this year developed into a hard-working and accomplished team, gaining honors as the year progressed. The diligent wrestlers learned new techniques such as the takedown, reverse, and nearfall and used them during the exciting but tense wrestling matches.

The thrill of seeing our wrestlers at work and the anxiety of winning made us grateful for the outstanding ability and perseverance of our 1969 V.H.S. wrestling team.

TRACK TEAM . . . strove for better performance.

Pushing, pushing harder and harder, our track team tried to reach and surpass former records, their own or someone else's. Straining, straining, our track team strove to reach the point when victory is a thing of the moments passed and challenge is the thing of the future. As one of the busiest and most hard-working teams, they worked to gain an honorable victory, school respect, and personal pride. Their hours and hours of practice were spiced here and there with the bright glory of a meet. Viewmont's track team met West, Davis, Bountiful, Clearfield, and Layton, competing in sprinting, distance runs, relays, broad jump, high jump, pole vault, javelin throw, discus, and shot put. Among the many hard-working members of Viewmont's track team there were three shining stars that were the pride and joy of Coach Olsen. Richard Reid was one of the best milers in the state, running under 4:20 before the year was over. Carl Page, competing in the pole-vault event, vaulted over 14 feet at State Meet time. Richard Spainhower was an all round athlete. He pole vaulted over 12 feet, high jumped 6'3", ran the high hurdles in a good time of 15.3 and broad jumped near 20 feet. An addition to the fine varsity team was the sophomore team, running and jumping with power, proving that the next two years will be exciting for all Viewmont track fans.

"Take me out to the Ball Park" is almost a national anthem to baseball fans throughout the United States, be it a Jr. League game, World Series contest, or our own Viking competition. Spring was ushered in when the team hit the mound on March 12 to begin training for their 10 pre-season games and 10 league performances. Each class contributed to the twenty man team... there were 5 sophomores, 6 juniors, and 9 seniors, four of which returned for their third year: Dave Butler, Val Cullimore, John Lalli, and Dave Nelson.

If you were to ask who the special players were, you would undoubtedly receive the answer that all 20 players were the best, for each did his part to synchronize the team.

Spring heralded the beginning of a tennis season for Viewmont High. Under the guidance of Coach Parkin, the twelve members of the tennis team perfected their sport through hard work and long hours under the sun, and achieved their goal by skill and perfection in coordination. For those who played doubles, teamwork was required, while individual ability was a must for singles. Though each boy met stiff competition in the eleven region games played, he faced his challenges with spirited determination.

As National Honor Society members, fifty seniors and twenty-nine juniors gained special acknowledgement in the Viewmont chapter. To join this organization, students were required to have a grade point average of 3.4 and to be active in their community.

Continually interested in the activities of this organization were Miss Streeper and Mr. Cook, the advisors. To lead this organization to a successful year the officers; John H. Johnson president; Emily Call, vice-president; Vicki Eschler, secretary; Martha Kerr, treasurer; Michele Moulton, historian; and John Quinn, publicity manager, worked united.

On January 13, the induction meeting was held at which new members were welcomed. Dr. James C. Fletcher, President of the University of Utah, gave an outstanding message. In February, the National Honor Society went as a group to see "The Lion in Winter". In the same month, the Honor Society sponsored a freedom assembly at which the Salt Lake City Exchange Club presented Viewmont with the freedom shrine, a collection of documents important to all Americans.

BOYS' AND GIRLS' STATERS

Last summer Viewmont High School was represented at Boys' State by four outstanding young men: Neil Breinholt, Val Cullimore, Dennis James, and Dave Nelson. Held at Utah State University in Logan, Boys' State offered a great learning experience for the boys who attended. The purpose of Boys' State, sponsored by the American Legion, is to acquaint boys with the operation of government. To learn the duties of offices in government, the boys were divided into cities in which they were elected to different positions throughout their stay at Utah State.

Making it possible for Val Cullimore's stay was American Legion Post 79. Sponsor for Dennis James was Roy Price Chevrolet. Neil Breinholt was aided by the North Salt Lake Lions. Dave Nelson was sent by Doc Mathis' Fruit Farm.

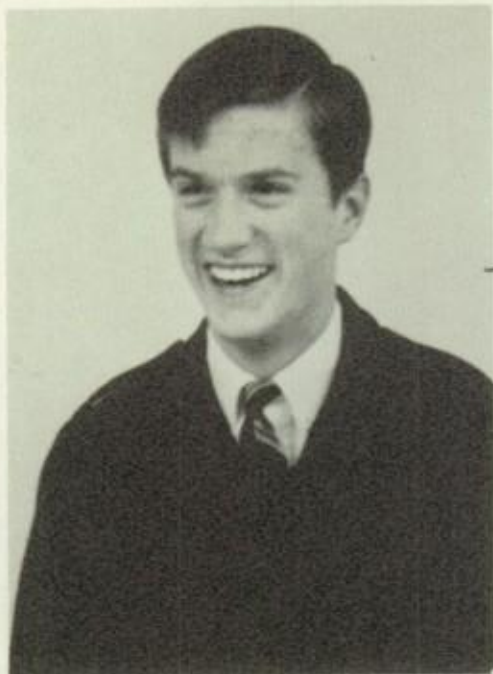

Row one, left to right: Dennis James, Val Cullimore, Neil Breinholt, Dave Nelson.

Row one, left to right: Cheryl Freeman, Sharon Sanders, Lynda Penman, Vicky Whipple.

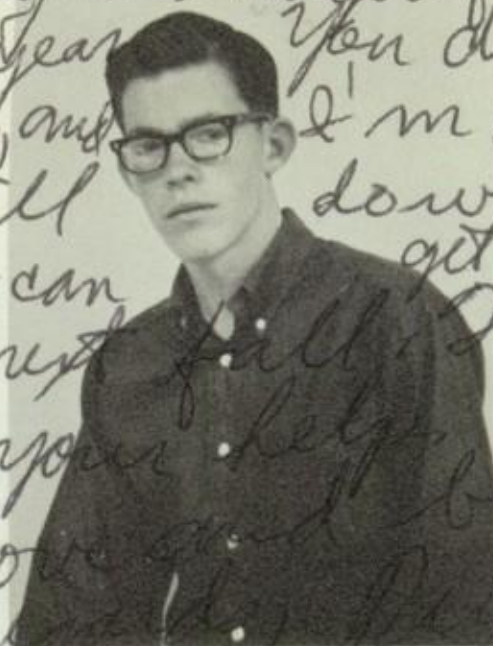

Actively participating at Girls' State last summer were Cheryl Freeman; sponsored by Bountiful Lady Republicans, Lynda Penman; Bountiful Business and Professional Women, Sharon Sanders; Music, Literature, and Art Club, and Centerville Jaycettes and Vicky Whipple; American Legion Auxiliaries. Government on local, state and national level was put into effect during this week long activity. To further realize the function of government, girls were elected to offices in the state, each city, and county. Many anxious moments were shared as final elections were held. The girls representing Viewmont did an outstanding job at Girls' State. Cheryl Freeman was President of the Senate and Alternate for Girls' Nation; Lynda Penman was State Senator and Vice-Chairman of the platform committee for her party; Sharon Sanders was state and county delegate; and Vicky Whipple was county delegate and city electrical engineer.

MERIT SCHOLARS

In 1968-69, six Viewmont Vikings brought honor to our school by their outstanding performance in the National Merit Scholarship Test. Given in the spring of the year, this grueling test examined students in the fields of English, math, social and natural sciences. Russ Davis placed among the top one per cent in scholastic achievement throughout the United States, thus receiving recognition as a semi-finalist Merit Scholar. Students given honorable mention were Vicki Eschler, Kitty Richardson, Allen Anderson, Lon Clayton, and John Quinn. Congratulations from the Viewmont studentbody go to these excellent students.

FOREIGN EXCHANGE STUDENTS... faced new challenges.

Ana Zelaya

Hi!!!

Walking down the halls, someone calls me "Ana Banana", I think it sounds funny, but I'm just Ana Zelaya.

It is so hard for me to have to say "Good-bye", I'd better just say "We'll see you!" because I can't stand the idea that I have to leave you and this school that has become my second home.

I am so glad I went to Viewmont, not only because it is the best, but also because of all the student body, teachers, and administration who are always so helpful, and what is more, so nice and friendly that I will always be grateful.

One thing I noticed here, since the first time, was your big school spirit that made you go so high in this basketball season, I will never forget the emotion of those games, the excitement of your dances, the pep rallies and the assemblies, your cheerleaders and your pep club of which I had the honor to be a member. That was so much fun; I just love to march.

It has been a wonderful year, of which I don't want to forget anything and what really makes me feel good, is that through this year I've learned to understand people from other countries, their costumes, and also give them a little of what mine are like.

Thanks again to all of you.

Ana Zelaya

Dear Vikings,

In these few words I must try to express to you my feelings after an American abroad year in Italy. You can imagine how exciting and interesting it has been, but it is probably more difficult for you to imagine the problems and challenges of a completely new environment. You are likely very curious to know what it is like going to school in a European country. Well, I'll tell you—it's *great*. Surely, there have been times when I wish I could have seen the Viewmont-Bountiful basketball game or could have sung with the Madrigal. "Liceo Ginnasio Giuseppe Parini" has not given me these opportunities. There have been few days when I have honestly had fun at school. These experiences have been replaced by new delights, different senses of accomplishment. The most treasured ones are small, even insignificant to the person looking on from the outside—like picking up my history book and reading without the use of a dictionary, writing a theme that merits a 6 (sufficient), of hearing Alberto Locatelli tell me that I answered well during my interrogation in Greek Literature.

The debates against Skyline and Highland seemed elementary after my discussions with my two communist classmates—in Italian. But even these things are not the true substance of an AFS experience. In fact it's difficult to capture the essence of an entire year. It's the whole of many experiences, many people, new places, new faces. It's learning to love people and to criticize your native country. It's a strange puzzle that, according to most AFS returnees, is impossible to solve until you've been home for three or four years. There are many things however, that I am certain of. I have hundreds of friends in Italy, and I know the Italian language. I have another family I love very nearly as my own. Above all, I am sure of this: I would do it all over again as Viewmont's second Americans Abroad student if I were given the chance. Of course this is not possible, so I guess I'll have to be satisfied with one year's experience in which I hope I have done my part not only for myself, but for VHS.

Respectfully yours

Ramona Gilbert

Viewmont High School—it's a big, great high school. You have something very wonderful which we do not have in my own school. I'll never see an assembly or ball game without remembering the school spirit. I know all of you are proud of Viewmont High School and love it.

One of the things which I learned from you is that it is important to study at school, but it is far more important and valuable to know other people and to cooperate with them as far as we live. We have to get together to accomplish a certain thing. You made me realize this fact at the first assembly on August 28th. I was deeply impressed by all of you then. Students are the symbols of youth, and you are always gay and cheerful.

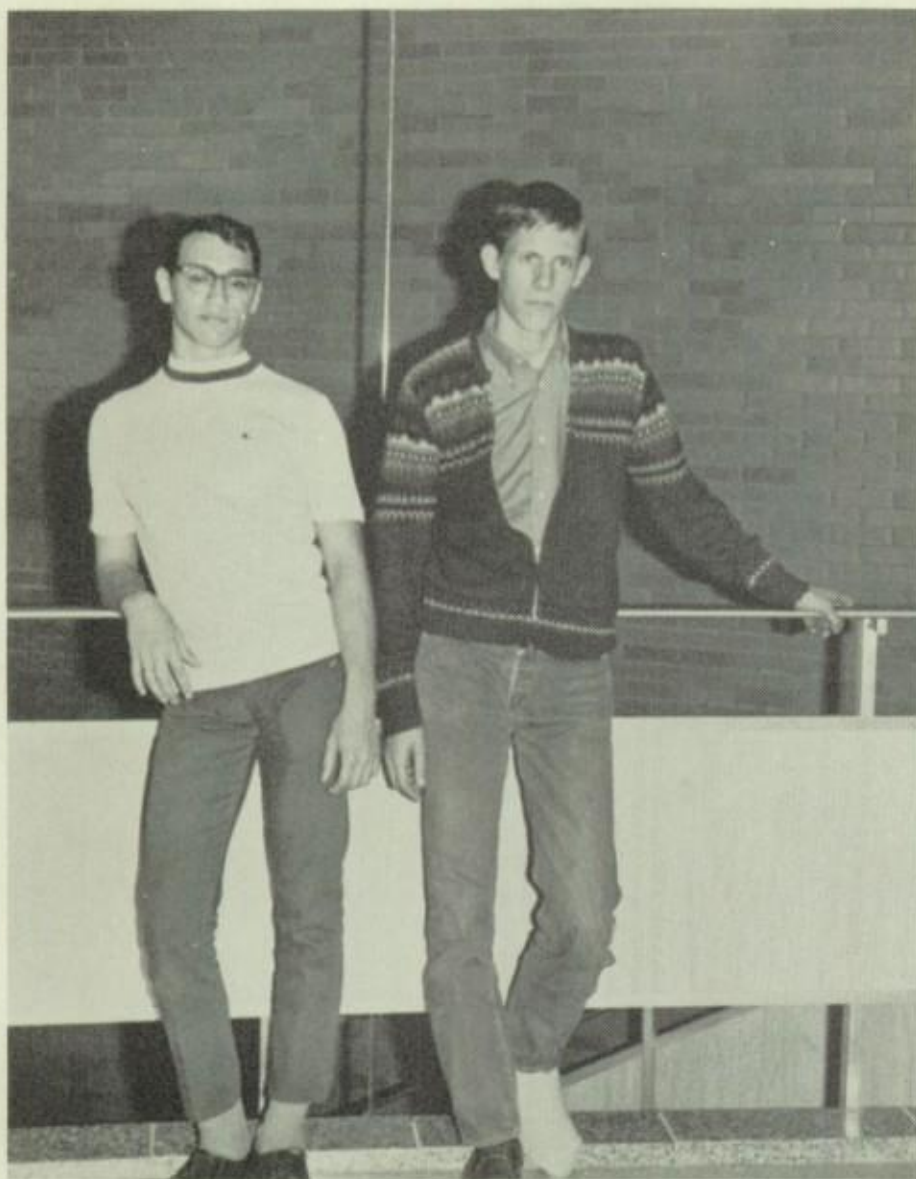

Everybody around me is so kind that even when I

make a serious mistake, they try to understand me. Teachers, too, are very friendly, not only to me but to all students, which makes me really happy at school. A girl said that a certain teacher was her smartest friend. She expressed exactly what teachers are like here at V.H.S. Kindly or unkindly, no teacher gives me F in my report card even if I do not study his subject at all. So sometimes I'm embarrassed by being in a different situation. But most times I enjoy myself because *you* are always with me. How I wish I could stay here one more year!

Lastly, I thank all of you for what you have done for me. I'll never forget this great, glorious but too short a time with you. And I thank all teachers, as well as Mr. Flake and Mr. Lewis.

HEY BEER!

I love your last name.
 I think DEBATE'S BEEN
 GROOVY this year. I wish
 I could've gotten to know
 you BETTER. Well - MAYBE NEXT
 year I'll get a chance. You're
 a good head and I hope your
 driving improves - and don't
 get NERVOUS on the freeway -

Bye
 Lori Moore

Well I finally got to you
 Pam. Just want to congratulate
 you. I know you will do a good
 job. TO NEXT YEAR.

Roger Astin

Well Pam,
 as things go
 your still getting
 all the boys, ~~and~~
 and I'm still an
 ugly nigger, sleeping
 in the gutter. I
 wish somebody would
 at least step
 on me, so that
 I know I'm
 alive. - sob -
 what a heart
 breaker. Well I
 got to go \$50
 take it easy.
 Love ya,
 Kim Clawson

It's been a good
 year this year. I go
 bad that you didn't
 win this year. I have
 a real fun summer.

Pam,
 I love think
 your cute. I'm
 sure glad I know
 you. See ya next
 year.
 Love ya,
 KAREWA

Hi Pam - sweet
 you are a great
 kid. I've been school
 going to high school
 with you. I hope you
 next year like summer.
 Love ya, Claudia

Pam

Well cuzzie, I better not
say anything to get you or
me in trouble, as there will
probably be a lot of kids reading
this. Pam, I'm really glad
that I got to know you this
year. It would be an under-
statement to say that since we've
met, we've had excitement, fun &
adventure. You might say that
we enjoy the same excitement.
But I think that this summer
we had better cool it a little.
You're a sweet friend & you've done
a lot for me. I hope to never lose
your friendship. There's so much I
could say but you know most of it
& I'm running out of room, so
a friend
Tammy

Dear Pam,
English was sure lots
of fun with you. You are
a great girl. I know you'll
do a great job next year
as pub. manager. Good luck.

Ann Beverly

Hi Pam
You're a great
kid and I really am
glad I got to know
you. Have fun this
summer!
Sue Cleverly
(Algebra)

Hi Pam,
Well, there
isn't much to
say, but Pam
I'm so glad
I got to know
ya'. You're a riot
to be with and I hope
we can get together
and do some fun stuff.
Remember about the plan
to go to the drive-inn
when I got my license.
Well, it's still planned &
I've got my license so
I'll call ya', bye!

Jana Rapich

a you Pam -
Gal. swell are
you got I glad
to know
year was in algebra
a fun
Lots of luck

Sharon
Anderson

Will Pam, don't
feel too bad because you
can't come back to this
fantastic class again. I'll
let you visit once in a
while. Good luck and
Gill see you around.

Mr. S.

Pam:
Well, I didn't
think we could
make it the whole
year but we did.
I am just glad we
don't have to go through
French again. Hope
to have you in some
classes next year.
Anne Mondell

Hi Pam
 You're Really a riot
 And for being that way
 Turn to page 114

 I see me in the
 summer & I'm
 ty. Have a fun
 with a wonderful
 day. Really you
 not but that's not
 a present, then?
 I know you. You
 I'm so glad you
 know what I mean?

Hi Pamela
 Theresa

I just want to tell
 you what a super
 gal that you are!
 You're so swell! Pam,
 I hope next year that
 we will become better
 and better friend every
 minute!!!!

Your bestest
 pal

Love You,
 Barbara

Hi Margaret!
 You are so-so-nice!
 And the sweetest
 kid I know. I know
 you'll be a great sup-
 er club member, and I'm
 so glad you are. I'm
 will really be great!
 Please stay as sweet
 as you always are!
 I'll really do for
 you. I love you.

Pam,
your one of the
of the neatest people
around. Remember all the
fun times we've had before
high school and through the
years. You'll be the greatest
Publicity Manager our school
has ever had.
Debbie Arnesen

Hi Pam,
You sure are
a cute, friendly
girl and I really
like you. I wish I
knew you better.
Hope I'll see you next
year. Love,
Sharon
Hepworth

Pam
Even though I
was with Lisa, I
still wished you
luck, I love you.
I just thought
about New Year's
Eve and all the
fun we had.
Let's get together
this summer.
Pam. Sue H.

It's been the greatest working
with you this year on your campaign
and on debate. It's too bad you lost
but you still ended up with the job you
wanted - Congratulations! No matter
what anybody thinks we will have
the best year next year, including debate!
We will have a lot of fun in sub Debs.
Make sure if you have a party to invite
little old me from the sticks ofountiful,

Lot's of luck.

Leann Hansen.

I may still be Desert News Correspondent
no matter what Ron has to say.

Hi Pam -
It has been a different year.
It's nice to know you. You
are a nut. Had fun to be with.
You better come to church though.
You might miss out on the party and
you wouldn't want to do that now
would you - have fun this summer
see ya around
Je McElroy

Pam,
way to go on I know
Pub. Mng. I know
you'd be great
Thanks for being
my friend.
Dance Call

Pam, I wish you were a little younger so you could only hope while you were in high school. Love Always Shreya Meckron

Pam- You're really a doll. I wish we could have had some classes together. Maybe next year. Have fun this summer. Hope I see you. Love Always Shreya Meckron

at Dine's
it was
a Mom & Dad

Hi I am
We sure have gone
through a lot this year
from a car to the game to 5:00
parties. Don't forget to come & get me
this summer. I live in the same house
as I lived in for the last 17 years. I am
sure is funny how we can go from best
friends to best enemies. I like the best friends best.
So we'll see ya during
the summer,
Mick

Pam, I'm mad at you for not getting in any of my classes this year. But I'll forgive ya if ya'll try harder next year. Yours a great friend. Stay that way Love ya Q.Q.

Pam,

Congradulations!!!!
You best make Viewmont well known!

Pam I think you're cool. And I appreciate your friendship.

Thanks Pam

Con.

Pam, I don't know what I'd have done without you in Gaden's. Thanks. Bye for now. Have a great summer and fuck in all.

Pam,
I kinda feel weird being the first one signing your yearbook because it looks weird. I'm sorry I wasn't on your campaign committee, but - you know. Hope to see ya Next year
See ya
Lav.

Hi there Pam!
you are about the
neatest kid! even
if you are one of
the worst drivers.
(Nah) I hope we
have some classes to
gether next year, & have
fun this summer.
Love ya,
Sue Elder

Pam,
Enjoyed your fun spirit
and your smile. Take
care and well see
you next year
Joanne Jensen

Dear Student Body Publicity Manager, Wow!
See I did start it that way. Had to give
you some recognition. Congratulations your
going to do a great job. It will be fun
working with you. You're a great kid with a
bubbling personality to match. Good luck in
all you do. Kris Nelson (historian wow!!)

Pky Pam?

Well, you nasty woman
even though you displayed
extreme immodesty and
embarrassed me, I grinned
and bore it. All for you. Nah,
I am glad I got to know ya,
although not as much as I
like.

Well, be good George W.
& take it easy.

See
Ralph
Turner

Heavily Female,
I saw this year has
been real exciting & I'm
glad you got publicity
managers I'd hope we
have some classes next
year! Have loads of loads
of fun this summer while
you're here! Love & see you.

Good that sure did caught on well! Well Margaret was
many years that we used to each other? And not until
this year did we start to do things well! Well was year
was sure when you doing things with you going to
Soot Lake with you sleeping with you leaving clothes to -
you. Remember when we went looking at values to -
other? That was year we started do that way again
